

**CITY OF HUMBOLDT / JKS SANITATION  
SPRING 2010 — CLEAN-UP DAYS**

**PLEASE READ THE FOLLOWING**

***Small brush and limbs must be bagged or bundled.***

Freon gas must be drained from refrigerators, freezers, or air conditioners.

Used oil will be picked up, but **MUST BE** in jugs and marked "Used Oil".

Vehicle batteries will be picked up, also.

In cooperation with Monarch Cement, the City of Humboldt will pick up tires during cleanup week. **RULES:** Monarch will accept only Class I tires; Class I includes passenger or light truck tires that are no wider than 11" and bead diameter sizes of 10" to 16-1/2". No wheels or scrap iron will be accepted. Tires will be required to be reasonably clean and free of water.

**One trip will be made to each residence only.**

**ITEMS WILL ONLY BE PICKED UP IF PLACED ON THE CITY PARKING.**

Items will not be picked up if placed on private property, alleys or items put out for pick up after the specified dates for your area.

**ITEMS THAT WILL NOT BE PICKED UP**

Whole trees, large limbs, tree trunks or stumps

Rocks or Concrete

Any hazardous material such as flammables, paint, pesticides or explosives

**THIS SERVICE IS PROVIDED FOR RESIDENTS  
WITHIN THE CITY LIMITS ONLY.  
NO COMMERCIAL BUSINESSES.**

Please avoid placing items on or near water and gas meters.

***Thank you for your cooperation!***
