## To Be Eligible For A Tax Rebate...

- ☑ Obtain a Building Permit and Tax Rebate application from the City of Humboldt, City Clerk at City Hall.
- ☑ All improvements must conform to zoning, building and any other applicable regulations in effect in the Neighborhood Revitalization Program Area (NRPA).
- ☑ Construction must begin on or after the date of inclusion of the property in the NRPA
- ☑ Improvements must increase the appraised value of the property by at least \$3000 residential and \$5000 commercial.
- ☑ Properties for which taxes or special assessments are delinquent or under appeal or protest are not eligible until such delinquent payments or appeals have been resolved.
- ☑ Only owners of property are eligible to receive a tax rebate.
- ☑ Tax rebates transfer with ownership of a property. Rebates are based on the increase in APPRAISED VALUE as of January 1 of the year following 100% completion of the improvements, contingent upon final inspection or issuance of a certificate of occupancy.

Tax rebates are based on the increase in APPRAISED VALUE of a property as of the January following completion of the project. The tax rebate is based solely on the improvements, not on any market factors. The example below illustrates which improvements to a \$100,000 home may qualify for the rebate:

Appraised value before improvements	\$100,000
Increased value due to improvements*	25,000
Increased value due to market forces	5,000
Total appraised value	\$130,000

\*Increase in value eligible for a tax rebate \$25,000

Q: *Can I simply paint my house or do some minor remodeling and be eligible for this program?*

A: It is unlikely that minor repairs will enable a property to qualify for the program. Improvements must increase appraised value by at least \$3000. In addition, the increase in appraised value must be a direct result of the improvements.

Q: *What is the application process?*

A: Obtain an application for the Neighborhood Revitalization Program when applying for a building permit. Complete the application and return it to the city. After final inspection, city staff will forward the application to the County Appraiser's office for review and appraisal of the project. Applicants will receive their tax rebate, minus a 5% administrative charge, after their property taxes are paid in full.

Q: *What types of property are eligible?*

A: Residential and commercial/industrial property within the Neighborhood Revitalization Area is eligible for the NRP.

Q: *Are the rebates transferable if I sell my property?*

A: Yes. Rebates are transferable. If an individual has two years of a ten-year rebate, the party buying the property will receive the last eight years of the rebate.

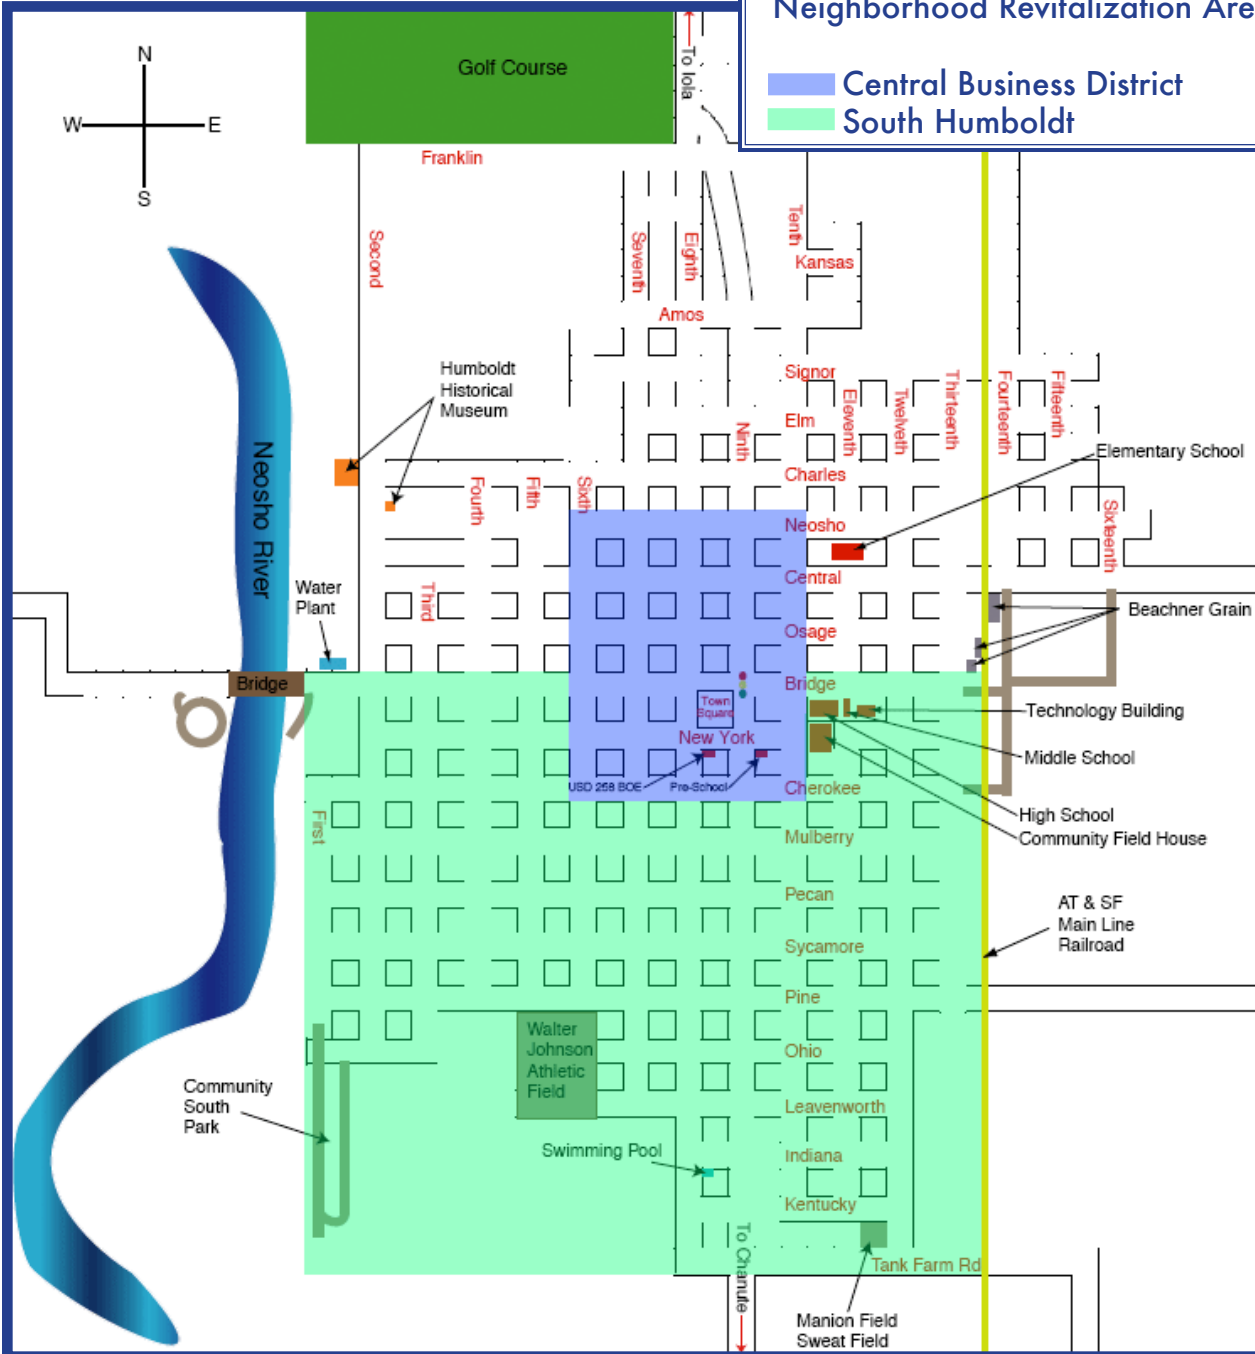

Q: *Can this program be used in conjunction with tax abatement programs?*

A: No property involved in the program can receive other tax abatement benefits.

### Neighborhood Revitalization Tax Rebate Program

Tax incentives are a valuable tool for residential and commercial

revitalization. New infill construction, as well as rehabilitation of existing housing, commercial and industrial properties, produces benefits not only to the immediate neighborhood, but to the entire community. With the adoption of the Neighborhood Revitalization Program, the City of Humboldt, USD 258, Allen County Community College and Allen County have provided a tax incentive program to address the needs of a large portion of Humboldt.

The Humboldt Neighborhood Revitalization Program (NRP) is a way to receive up to a ten-year rebate on the increased taxes actually paid as a result of new construction or rehabilitation projects in the Neighborhood Revitalization Area (NRA). See the NRA map to the left, to determine if your home or property is located in the Neighborhood Revitalization Area.

If you are building a new structure or making significant improvements to RESIDENTIAL, COMMERCIAL or INDUSTRIAL property in the NRA, your project may be eligible for the NEIGHBORHOOD REVITALIZATION PROGRAM.

	Central Business	Commercial & Industrial	Residential Rehabilitation	New Residential
Year 1	100%	100%	100%	100%
Year 2	100%	100%	100%	100%
Year 3	100%	100%	100%	100%
Year 4	100%	100%	100%	100%
Year 5	100%	100%	100%	100%
Year 6	100%	100%	100%	100%
Year 7	80%	80%	80%	80%
Year 8	60%	60%	60%	60%
Year 9	40%	40%	40%	40%
Year 10	20%	20%	20%	20%
