

DREAM HUMBOLDT REBUILDING THE PUBLIC SQUARE

Dream Humboldt is a vision created by the Rebuilding the Public Square process introduced to Humboldt over the last three years. Included in that process has been a vision statement that has guided that dream;

“A COMMUNITY OF FAITH BUILT ON FAMILY VALUES WHERE OPPORTUNITIES FLOURISH. COME LIVE WELL AND LOVE IT!”

To continue that dream we ask that you participate by answering the following questions regarding your knowledge, sensibility and willingness to join this effort to help make Humboldt fulfill its dream and vision.

1. How much do you know about Rebuilding the Public Square? What have you heard about their actions and successes?

2. What are some of your hopes, dreams and vision for Humboldt?

3. Would you be willing to join this team by donating some of your time back to the Humboldt community?

4. Do you have any other comments?
