Mayor Robert Sharp
320 Bridge Street
Humboldt, KS 66748

Re: Coast to Coast for a Cure

Dear Mayor Sharp,

I would like to share with you an inspirational story of two young men from the Township of Nutley who have undertaken a fundraising effort that will take them on an amazing journey as they walk across the nation. Anthony Greco and Rob Bonora began their walk across the country on June 1st, raising awareness of the importance of a healthy lifestyle while raising money for the Gail's Angels Foundation. The Gail's Angels Foundation supports mothers with breast cancer who support an autistic or special needs child. The founder of the organization, James Babai, is also a resident of the Township of Nutley.

Anthony and Rob's journey comes on the heels of our Township being named NJ Healthy Town Designates for 2010, an honor that I am very proud of and one that these young men also take pride in. Their walk signifies our Township's dedication to healthy living.

The Township is supporting these young men and following their journey. That journey will take them through your city on or about July 28. It is my hope that you will engage your community in an effort to support their walk. Perhaps you can arrange to assist them with traffic safety coordination, food or lodging or simply have your residents join them as they proudly walk through your city.

More information about this inspiring project is available at www.coasttocoastforacure.com. Please let me know if you would join me in supporting their efforts with a show of hospitality in some way. I can be reached at 973-284-4972. Anthony and Rob can be contacted directly via the website.

I thank you in advance for your courtesy and for encouraging these young men as they embark on a wonderful journey that will most likely change their lives and make a difference in so many other lives.

Sincerely,

Joanne Cocchiola
Mayor, Township of Nutley
