The old siren will be relocated to Centennial Park to improve coverage on the south end. The City reminds its residents that the spring storm season is fast approaching. Remember that public storm shelters are available at the following locations:

- Water Plant: 2nd & Bridge
- Cannon Park: 8th & Charles
- Swimming Pool: 8th & Indiana
- Lutheran Church: 910 Amos
- City Hall: 725 Bridge

The City also encourages you to sign up for local weather alert messages by contacting the Allen County Emergency Management Center at 620-365-1400.

SLOW DOWN NEAR BASEBALL FIELDS
With the opening of the new baseball fields at the Sweatt/Manion Baseball Complex, drivers are reminded to slow down for youth baseball and softball this spring. Flashing speed signs have been placed along Wulf Drive near the ball fields to warn drivers to slow down. As summer approaches please remember to watch for children playing as they don’t always watch out for you.

LEVELIZED PAYMENT PLAN
The City of Humboldt offers a levelized payment plan in order to provide utility customers the option of levelizing their utility bills throughout the year. To qualify for the plan, a customer must have a one year history with a maximum of one delinquent payment in the same residence and no record of disconnection for non-payment. The plan is available to individually metered residential customers only. The levelized payment plan is for one year and begins with the May billing. Deadline for sign-up is April 29.
